Pure Water
for babies & our world

Designed to offer the best fit to the skin of newborn and premature babies Sleepy Aqua Care Wet Baby Care Towel, provides a soft and pure clean for our babies with 99.9% pure water content.

100%
Biodegradable Wipes
Natural Fiber

The fibers in the fabric of the Sleepy Aqua Care Newborn and Premature Wet Baby Care Towel, inspired by nature, have an improved fabric structure consisting of 100 percent biodegradable fibers. We are always trying to do better for the future by providing a clean environment to our babies and our world with our biodegradable towels.

0%
Perfume - Fragrance
Plastic Content

Sleepy Aqua Care Newborn and Premature Wet Baby Care Towel naturally cleans and moisturizes, you and your baby's skin by avoiding chemicals such as perfumes, fragrances and plastics that may cause irritation on the newborn baby's skin. Each leaf towel is designed to adapt to your baby's gentle skin, making them perfect for daily use.

2x**
Thicker Towel
Softer Touch

Sleepy Aqua Care Newborn and Premature Wet Baby Care Towel provides the gentle cleaning that newborn and premature babies need with a single leaf, thanks to its fabric that is 2 times thicker and 2 times softer than the Sleepy Sensitive wet towel. You can use Sleepy Aqua Care Wet Baby Towel safely from the first day.

Its pH value is compatible with the skin and is suitable for cleaning the hands, face and body. It is hypoallergenic and dermatologically tested. It is not tested on animals and is vegan.

*99.9% of the amount of pure water used when producing the product solution was pure water with Minimum Class 1 feature in EN ISO3696 Standard.

**According to Sleepy Sensitive Baby Wet Wipes.
